STUDENT'S FEEDBACK ON CURRICULUM DESIGN AND IMPLEMENTATION FOR THE ACADEMIC YEAR 2020-21

Introduction

Feedback from the stakeholders are the key element in imparting quality in higher education. Curriculum of the courses taught in a programme should be carefully designed and implemented to ensure high standard. At amal college we have been taking feedback from all stakeholders. Students are being an integral part of education, we have collected exhaustive feedback from them on curriculum design and implementation.

Methodology of data collection and analysis

We have used a structured Google form questionnaire for collecting responses online from our currently studying students at the end of every academic year. Qualitative statements in five point agreement scale were used to study student's feedback. Basic profile analysis and descriptive analysis of student's feedback for various dimensions of curriculum are done.

Analysis of Student's Profile

In order to study profile of the alumni variables such as gender programme studying and class are collected and analyzed. The result of analysis is presented in Table 1.

Table 1: Profile of the Students

Action Taken Report

Based on the analysis of students' feedback on curriculum design and implementation for the academic year 2020-21, the Department of Commerce and Management Studies has taken the following action to further improve the academic experience:

Curriculum Refinement: Acknowledging the need for continuous improvement, we are actively revisiting the curriculum to enhance interdisciplinary links and ensure its relevance to current industry trends.

Faculty Development Initiatives: To maintain the high standard of teaching, we have initiated comprehensive faculty development programs. This includes workshops and training sessions to equip our educators with the latest pedagogical techniques and industry insights.

Student-Centric Approach: We will prioritize student preferences by offering a wider range of add-on courses that align with their interests and career aspirations, thereby fostering a more personalized learning journey.

Transparent Assessment Guidelines: To address concerns about the evaluation system, we are working on providing clearer and more detailed assessment guidelines to students, promoting a transparent evaluation process.

Continuous Feedback Mechanism: We are implementing a regular feedback mechanism to consistently gauge student satisfaction and make timely improvements based on their valuable insights.

These actions aim to create an inclusive and enriching learning environment, empowering students with a comprehensive education that prepares them for future challenges in their chosen fields.
