Teacher's Feedback on Curriculum Design and Implementation 2018-19

Action Taken Report

Following the analysis of teacher feedback for the year 2018-19, IQAC has outlined key actions for curriculum enhancement:

Flexibility in Course Selection: Upholding and promoting flexibility in selecting value-added and certificate courses, empowering students to align their education with personal interests and career aspirations effectively.

Integration of Crosscutting Issues: Strengthening the incorporation of crosscutting themes like gender, environment, sustainability, and ethics into the curriculum. Developing interdisciplinary modules to foster comprehensive learning and social consciousness.

Improving Evaluation Systems: Enhancing internal evaluation mechanisms to ensure transparency and efficacy. Providing faculty with training on assessment techniques to maintain standards of fairness and rigor.

Timely Examination Conduct: Addressing concerns related to examination scheduling and result publication by implementing measures to adhere strictly to predetermined timelines. Streamlining administrative processes to minimize delays.

Through these initiatives, IQAC aims to continually enhance curriculum quality, fostering holistic development, and ensuring alignment with national and global educational benchmarks.

Place: Amal College
