Student's Feedback on Curriculum Design and Implementation 2019-20

Action Taken Report

Based on the student feedback analysis for the year 2019-20, IQAC has taken several actions to address the concerns and suggestions:

Curriculum Alignment: Ensuring alignment of the Choice Based Credit Semester System with emerging national and global trends, addressing concerns regarding its suitability and enrichment of skill components.

Content Relevance: Reviewing and updating the content of courses to ensure they are up-to-date and relevant, including interdisciplinary content to provide a holistic learning experience.

Flexibility and Integration: Offering flexibility in choosing value-added courses and integrating cross-cutting issues such as gender, environment, sustainability, and ethics into the curriculum.

Evaluation Transparency: Ensuring effectiveness and transparency in the internal evaluation system to maintain academic standards.

Campus Environment: Addressing concerns and maintaining a conducive learning environment by improving ethical and moral components of campus life.

These actions aim to enhance the overall quality of education and student experience in line with the feedback received.
