Alumni Feedback on Curriculum Design and Implementation 2020-21

Action Taken Report

Based on the alumni feedback analysis for the year 2020-21 regarding curriculum design and implementation, the Internal Quality Assurance Cell (IQAC) has outlined the following action points:

Improve Internship Opportunities: Enhance internship and project work opportunities relevant to the programme, addressing the neutral and disagree responses regarding adequacy and relevance of internships.

Ensure Timely Examination Conduct: Implement measures to ensure adherence to predetermined examination schedules, addressing the neutral and disagree responses concerning examination conduct and result publication timelines.

Foster Competency Development: Develop initiatives to enhance competency in communication, critical thinking, problem-solving, and creativity through the curriculum, responding to the neutral and disagree responses in this area.

Bridge Skill Gap for Workplace: Bridge the gap between programme offerings and workplace skills requirements through targeted skill development initiatives, addressing the neutral and disagree responses related to workplace skills creation.

By implementing these actions, IQAC aims to further enhance the alumni's educational experience, ensuring that the curriculum meets the evolving needs of the industry while fostering holistic development and a conducive learning environment.

Place: Amal College
