Action Taken Report

Based on the comprehensive analysis of alumni feedback on academic performance and institution ambience for the year 2022-23, the Internal Quality Assurance Cell (IQAC) of Amal College of Advanced Studies has formulated a strategic action plan to address areas of improvement and enhance the overall educational experience for future academic years. Firstly, acknowledging the high satisfaction levels across various aspects of academic performance, the institution aims to maintain and further improve the quality of teaching. This includes regular faculty development programs to update teaching methodologies and ensure alignment with evolving educational standards.

To enhance the curriculum's effectiveness in preparing students for their careers or further education, the institution plans to conduct regular reviews and updates, incorporating industry-relevant skills and experiential learning opportunities. In terms of faculty and staff support, efforts will be made to strengthen mentorship programs and student support services, ensuring personalized guidance for academic goals.

Regarding resources, the institution will focus on expanding and modernizing facilities such as libraries and labs to meet the growing needs of students and promote a conducive learning environment. In addressing ambience-related feedback, measures will be taken to sustain the high standards of cleanliness and maintenance on campus. Additionally, initiatives to further enrich the physical infrastructure and enhance recreational areas will be undertaken.

Furthermore, the institution is committed to diversifying and enhancing extracurricular activities and events to cater to the varied interests of students, fostering a vibrant campus life and holistic development. Overall, the IQAC's action plan aims to build upon the strengths highlighted in the feedback while proactively addressing areas for enhancement, ensuring that Amal College of Advanced Studies continues to provide a nurturing and enriching educational environment for its students in the forthcoming academic years.
