OF ADVANCED STUDIES

AMAL COLLEGE OF ADVANCED STUDIES

INSTITUTIONAL DISTINCTIVENESS

INTRODUCTION

Amal College of Advanced Studies was established in 2005 by The Nilambur Muslim Orphanage Committee (NMOC), with the vision to provide advanced education and opportunities to the young people in and around Nilambur. The founding father of the college is Sri PV Abdul Wahab, who was then the Chairman of the Committee. The college is recognized by the UGC under section 2(F) & 12(B) of the UGC Act, 1956 and is a Minority Educational Institution, covered under section 2(g) of the National Commission for Minority Educational Institution Act, 2004. Currently, the college offers undergraduate, postgraduate and research programs and is the only college in the country that reserves 20% of all courses for Muslim Orphans. With its commitment to providing quality education and fostering a supportive community, the college has become a beacon of excellence in the region.

OUR DISTINCTIVENESS

☑ Eco-friendly Land Scape Ambience

☑ Diversity in Course Portfolio

☑ Visionary Leadership

☑ International Internships and Placements

☑ Reservation for the Orphans

☑ Integration of Vocational and Skill Component

Located on the banks of the river Chaliyar in Myladi, Nilambur, the college's picturesque campus is spread over 25 acres of land in Santhigramam. The region is renowned for its tribal settlements and teak plantations. The college is continually striving towards development and making significant progress in various projects.

ECO-FRIENDLY LAND SCAPE AMBIENCE

Technology Integrated

·Amal College integrates technology seamlessly, boasting interactive boards, ICT-enabled classrooms, Embase Pro suite, automated admissions, and a Wi-Fi campus, enhancing learning, administrative efficiency, and collaboration opportunities.

Individual Blocks

·Each building within the campus is meticulously designed to harmonize with its natural surroundings while incorporating eco-friendly construction techniques. The allocation of separate buildings for each department ensures students' free mobility without any disturbance.

Eco-friendly Construction

The college prioritizes the use of eco-friendly construction materials and practices, ensuring that new buildings and renovations adhere to stringent environmental standards

Aesthetic Design

Despite its focus on sustainability, the college's architecture does not compromise on aesthetics. Each structure is designed to blend seamlessly with the natural landscape, creating a visually stunning campus environment that inspires and uplifts all who visit.

Green Campus

Amal College fosters a green campus with lush greenery, native plants, and well-designed outdoor spaces, promoting well-being and environmental connectivity. Comprehensive waste management, green roofs, recycling programs, energy-efficient lighting, and renewable energy sources, rain water harvesting systems minimize the college's environmental impact and cultivate sustainability.

Disability-friendly Infrastructure

Amal College exemplifies disability-friendly infrastructure with amenities like lifts, ramps, scribe banks, tactile paths, and designated parking. These features ensure accessibility for all, reflecting the college's commitment to inclusivity.

- The institution also facilitates international placements for students, further enhancing their career prospects.
- Campus placements are organized to connect students with potential employers.
- The institution has international MoUs (Memorandums of Understanding) and linkages, promoting global collaborations and exchanges.
- The institution is associated with prestigious international events such as the FIFA World Cup, Arab Cup, Dubai Horse Race World Cup, and Golf Cup, providing students with unique opportunities for engagement and learning.

Orphan Quota

Introduction

Established in 2005 by The Nilambur Muslim Orphanage Committee (NMOC), Amal College of Advanced Studies holds a distinguished position in the educational landscape of Nilambur, Kerala. Founded under the visionary leadership of Sri PV Abdul Wahab, the college embarked on a journey to provide advanced education and opportunities to the young people in the region, particularly those from marginalized backgrounds. Recognized by the University Grants Commission (UGC) under sections 2(F) & 12(B) of the UGC Act, 1956, and designated as a Minority Educational Institution under section 2(g) of the National Commission for Minority Educational Institution Act, 2004, Amal College stands as a beacon of excellence and inclusivity.

One of the most distinctive features of Amal College is its Orphan Quota initiative. This pioneering effort reserves 20% of all courses for Muslim orphans, reflecting the college's commitment to providing opportunities for the most vulnerable members of society. By offering undergraduate, postgraduate, and research programs under this quota, Amal College ensures that orphaned students have access to a comprehensive education that prepares them for future success.

Kaafil is a dedicated initiative committed to fostering the holistic development of orphan students through its comprehensive capacity-building program. Kaafil places a paramount emphasis on empowering orphan students for a brighter future by prioritizing their career and job readiness, ensuring seamless development from their academic classes to future placements and professions. In addition to career-focused initiatives, the Kaafil actively addresses the socio-economic challenges faced by orphan students. Recognizing the financial constraints that often hinder their educational pursuits, Kaafil seeks financial assistance and scholarship opportunities to alleviate the burden on these students. Through these efforts, the club strives to ensure that orphan students have access to the resources and support they need to pursue their academic and career aspirations. Furthermore, Kaafil emphasizes the importance of active community participation in its capacity-building program. By fostering strong partnerships with local organizations, businesses, and community members, Kaafil creates opportunities for orphan students to engage in meaningful community service and volunteer activities. These experiences not only contribute to their personal growth but also instill a sense of civic responsibility and social awareness. Ultimately, the success of Kaafil's capacity-building program is measured by the positive outcomes experienced by orphan students.

OBJECTIVES

SOCIO-ECONOMIC UPLIFTMENT OF ORPHANS

Provide educational opportunities to orphaned students from economically disadvantaged backgrounds. Address socio-economic disparities by equipping orphan students with the skills and knowledge necessary to break the cycle of poverty.

GUIDANCE AND SUPPORT

Offer personalized guidance and support to orphaned students, ensuring they receive holistic care and mentorship throughout their academic journey. Bridge the gap between orphaned students and their educational goals by providing emotional support, academic counseling, and career guidance.

EXCELLENCE IN SOCIETY

Empower orphaned students to become positive contributors to society by nurturing leadership qualities, civic responsibility, and ethical values. Encourage active participation in community service and engagement, fostering a sense of social responsibility and collective well-being.

CAREER AND JOB READINESS

Prepare orphaned students for the challenges of the professional world by offering career guidance, skill development workshops, and internships. Enhance employability skills and job readiness among orphaned students, ensuring they are equipped for successful careers and future leadership roles.

INTEGRATION WITH LOCAL DEVELOPMENT

Integrate the Orphan Quota initiative with local development efforts to address the unique challenges faced by the backward locality of the college. Collaborate with local organizations and stakeholders to create opportunities for orphaned students that contribute to the socio-economic development of the community.

EMPOWERMENT THROUGH EDUCATION

Empower orphaned students with access to quality education, enabling them to realize their full potential and pursue their dreams. Break barriers of discrimination and social stigma associated with orphanhood by creating an inclusive and supportive learning environment within the college and the local community.

Amal College of Advanced Studies

Mission

→ **Equity and Belonging:** Create an inclusive and nurturing learning environment that champions equity and fosters a sense of belonging among orphan students, celebrating their diverse backgrounds and experiences.

→ **Individualized Tech-Enhanced Learning: Implement** technology-integrated educational strategies tailored to the unique learning styles of orphan students, enriching their educational experiences and academic achievements.

→ **Ecological Responsibility:** Foster ecological consciousness and sustainable practices among orphan students, promoting responsible stewardship of natural resources.

→ **Innovation Hub:** Cultivate a culture of innovation and research exploration among orphan students, empowering them to pioneer novel solutions to global challenges.

→ **Ethical Leadership Cultivation:** Instill values of integrity, ethics, and moral leadership in orphan students, preparing them to become principled leaders and agents of positive change.

→ **Collaborative Partnerships:** Forge collaborative partnerships with government agencies, NGOs, businesses, and philanthropic organizations to leverage resources, expertise, and networks in support of orphaned students' education, empowerment, and advocacy efforts.

Vision

→ **Empowered Pioneers:** To nurture orphan students into empowered pioneers who excel academically, demonstrate visionary leadership, and catalyze societal transformation.

→ **Global Citizenship:** To equip orphan students with the skills, knowledge, and global citizenship mindset necessary to navigate diverse cultures, embrace global challenges, and contribute to sustainable development.

→ **Sustainable Empowerment:** To foster sustainable empowerment among orphan students, providing them with the tools, resources, and opportunities to forge their own paths and make enduring contributions to society.

→ **Innovative Learning Ecosystem:** To establish an innovative learning ecosystem that harnesses emerging technologies and pedagogical approaches to optimize educational outcomes for orphan students.

→ **Inclusive Excellence Community:** To foster an inclusive excellence community where orphan students are embraced, supported, and empowered to unleash their full potential and lead fulfilling lives.

→ **Global Citizenship:** To nurture orphaned students as compassionate, culturally competent global citizens who are committed to promoting social justice, equality, and sustainable development locally and globally.

Kaafil
A COMPREHENSIVE CAPACITY BUILDING PROGRAM FOR ORPHAN STUDENTS

PROGRAMS AND SUPPORT SERVICES

Orientation Programme
