PRINCIPAL'S MESSAGE

Amal College of Advanced Studies running with an aim of imparting quality Higher Education to the people of backward and rural areas, especially to the orphans, the destitute, the backward communities, SCs and STs. Hence twenty percent of seats in all the courses are reserved for orphans and another twenty for SCs and STs Upholding inclusiveness as a key policy, the college is open to students of all castes and creeds.

The college continues to serve the nation through value-based quality education and to provide amenities for creating an atmosphere of universal brotherhood. In its journey towards being an ideal centre of excellence Amal College was accredited with A grade by NAAC (3.11) in the first cycle in 2019. Today Amal College holds the torch of brilliance and enlightenment providing new ideas of innovation and excellence for the students and moulding them to become better human beings equipped with competency, responsibility, and maturity in character. With an aim of becoming a center of excellence in the field of education we try to bring in the best national and international practices through collaboration with other excellent institutions both inside and outside Kerala.

This academic year after the special situation of Covid 19 has doubled our responsibilities. Instead of cursing the situation, let's transform the adversities into innovative thoughts and inventive actions. I seek support from all of you to mark Amal College an institution of academic excellence in Kerala. I look forward to the next academic year with more hope and confidence. I wish all of you a prosperous and fruitful academic year ahead...

SECTION - I

COLLEGE PROFILE

Amal College of Advanced Studies is a Postgraduate College established in 2005, affiliated to the University of Calicut and aided by the Government of Kerala. The idea of the college was conceived by Sri PV Abdul Wahab and established by the Nilambur Muslim Orphanage Committee, Nilambur (Estd.1969) with an aim of imparting quality Higher Education to the people of backward and rural areas, especially to the orphans, destitute, Backward Communities, SCs and STs. The college which comes under section 2F&12 (B) of the UGC Act, 1956, is a Minority Educational Institution, covered under section 2 (g) of the National Commission of Minority Educational Institution Act, 2004.

The college that started functioning with three programmes currently offers twelve degree courses including three B Voc and one postgraduate courses catering to the higher education dream of around 1500 students. The college retains a team of highly qualified and committed faculty among whom 21 are PhD holders. Amal College is the only college in India with twenty percent reservation of seats in all courses for orphans and another twenty percent for SC/STs.

The college and its hostels are open to students of all castes and creeds and provide amenities for the creation of an atmosphere of universal brotherhood through value-based education. The college was accredited with A Grade by National Assessment and Accreditation Council (NAAC) in 2019 through its new frame work for accreditation. The College is located in Santhigramam, a picturesque campus with 25 acre-land in Eranhimangad on the banks of river Chaliyar, 4 kms away from Nilambur, a place well known for tribal settlements and teak plantations.

- We are dedicated to maintaining a transparent, equitable, and efficient internal assessment system for our students.
- We strive to leverage the power of information technology to its full extent in the dissemination of knowledge.

PROGRAMME LEARNING OUTCOME B. COM COMPUTER APPLICATION PROGRAM:

The Programme learning outcomes relating to Bachelor's degree Programme in Commerce with Computer Application may include the following:

PLO1: Competitive Edge and Clear Vision: Graduates will possess a competitive edge with a clear understanding of core concepts and skills for applying knowledge in various areas of commerce and management.

PLO2: Interdisciplinary Decision-Making: Graduates will demonstrate the ability to apply interdisciplinary thinking in making informed business decisions, recognizing the interconnectedness of various aspects of commerce and technology.

PLO3: Innovative and Analytical Thinking: Graduates will exhibit innovative thinking, creative insights, analytical abilities, a methodological approach, and the capacity for critical judgments in solving complex business problems.

PLO4: Foundation for Higher Learning: Graduates will have a strong foundation that prepares them for advanced studies in commerce, management, and related fields, facilitating their pursuit of higher education.

PLO5: Enhanced Communication Skills: Graduates will improve their communication skills, enabling them to effectively convey information, facilitate the flow of resources, and share knowledge within business contexts.

PLO6: Current Accounting Methods and Specialization: Graduates will be equipped with up-to-date knowledge of prevalent accounting methods and have the opportunity to specialize in areas of interest such as finance, marketing, taxation, and computer applications.

PLO7: Entrepreneurial Aptitude: Graduates will gain a clear understanding of business prospects and possibilities, enabling them to establish and manage their own business ventures or contribute effectively to entrepreneurial initiatives.

These program learning outcomes ensure that graduates of the B. Com Computer Application program are well-prepared with a diverse skill set, interdisciplinary thinking, and a strong foundation in commerce and

technology, allowing them to excel in various career opportunities and adapt to the evolving business landscape.

DEPARTMENT OF TOURISM AND HOTEL MANAGEMENT

MISSION

Our mission is to prepare students for dynamic and rewarding careers in the global tourism and hospitality industry by providing them with a comprehensive, industry-relevant education. We strive to instil a strong sense of professionalism, ethics, and environmental consciousness, while fostering innovation and entrepreneurship in our students. Through rigorous academic programs, experiential learning, and research initiatives, we aim to produce graduates who are well-equipped to meet the evolving needs of the tourism and hotel management sector. We are committed to making a positive impact on society and contributing to the sustainable development of these industries.

VISION

Our vision is to be a renowned global hub for excellence in tourism and hotel management education and research. We aspire to set the industry standard for producing well-rounded, highly skilled professionals who can lead and innovate within the ever-evolving tourism and hospitality landscape. We envision a department that continuously adapts to industry trends, fosters an inclusive learning environment, and engages in cutting-edge research to address industry challenges. Through collaboration with stakeholders and the development of strong networks, we aim to shape the future of tourism and hotel management education and practice, while promoting sustainable and responsible tourism worldwide

PROGRAMME LEARNING OUTCOME BTHM PROGRAMME

Upon the successful completion of the Bachelor of Tourism and Hotel Management (BTHM) program, students will have developed a set of essential skills and knowledge:

VISION AND MISSION OF DEPARTMENT OF B.VOC. MOBILE APPLICATION DEVELOPMENT

VISION

Our vision is to emerge as a pioneering force in the realm of B.Voc. Mobile Application Development education, research, and innovation. We envision cultivating a dynamic learning ecosystem that not only disseminates state-of-the-art technical expertise but also nurtures problem-solving acumen and

sparks creativity. Our commitment lies in shaping graduates who can take the lead in the continually evolving landscape of mobile application development, ensuring they are well-equipped to navigate and excel in the dynamic digital sphere.

MISSION

Our mission in the B.Voc. Mobile Application Development program is driven by the following key objectives:

1. Delivering a Comprehensive Educational Experience: We are dedicated to providing a well-rounded educational journey that integrates rigorous academic learning with creativity and the cultivation of ethical values. Our aim is to equip students to navigate the dynamic landscape of mobile application development with a solid foundation in both theory and practical skills.

2. Empowering Individual Potential: Our mission is to empower each student to recognize and leverage their unique strengths and skills. We foster an environment that encourages creativity, critical thinking, and innovation, allowing students to thrive and make a meaningful impact in the dynamic world of mobile app development.

3. Providing Personalized Career Guidance: We are committed to offering personalized career guidance, assisting students in making well-informed choices for their future within the diverse realms of mobile application development. Whether their aspirations lie in research, industry, entrepreneurship, or other paths, we aim to support them in achieving their career goals.

COURSE LEARNING OUTCOMES FOR B.VOC. MOBILE APPLICATION DEVELOPMENT

The Course Learning Outcomes (CLOs) for the B.Voc. Mobile Application Development program articulate clear and succinct statements that outline the essential knowledge and skills students are expected to acquire within the scope of each course. These outcomes play a central role in shaping the curriculum, guiding the selection of appropriate teaching methodologies, and structuring assessments. Through this alignment, CLOs ensure a seamless connection with the overarching program objectives. This meticulous integration aims to cultivate an effective and immersive educational experience, empowering students to develop a comprehensive understanding of mobile application development. The intended outcome is to equip them with the skills and knowledge necessary to navigate the demands and opportunities presented by the dynamic and ever-evolving technological landscape specific to mobile applications

VISION AND MISSION OF DEPARTMENT OF COMPUTER SCIENCE

VISION

To be a leading hub of innovation and excellence in computer science, fostering cutting-edge research, producing skilled professionals, and contributing significantly to technological advancements.

MISSION

Our mission encompasses the following key objectives:

1. Equip students with a comprehensive understanding of computer science fundamentals, preparing them for dynamic and evolving industry demands.

2. Conduct impactful research that pushes the boundaries of knowledge in areas like artificial intelligence, cyber security, and software engineering.

3. Cultivate a collaborative and inclusive learning environment, encouraging creativity and critical thinking among students and faculty.

4. Establish strong industry partnerships to facilitate real-world applications of computer science, bridging the gap between academia and industry.

5. Promote ethical and responsible use of technology, instilling a sense of social responsibility in students to address global challenges through computational solutions.

Through this vision and mission, the Department of Computer Science at our institution seeks to lead in the realm of computer science education, research, and innovation, while simultaneously fostering a community of skilled, creative, and socially responsible computer scientists.

PROGRAMME LEARNING OUTCOMES FOR BACHELOR OF SCIENCE IN COMPUTER SCIENCE

The Bachelor of Science in Computer Science program enables students to attain, by the time of graduation:

PLO-1. Demonstrate an aptitude for Computer Programming and Computer-based problem-solving skills.

PLO-2. Display the knowledge of appropriate theory, practices and tools for the specification, design, and implementation

PLO-3. Ability to learn and acquire knowledge through online courses available at different massive open online course providers.

PLO-4. Ability to link knowledge of Computer Science with other two chosen Complementary disciplines of study.

PLO-5. Display an ethical code of conduct in the usage of the Internet and Cyber systems.

PLO-6. Ability to pursue higher studies of specialization and to take up technical employment.

PLO-7. Ability to formulate, model, design solutions, and procedures and use software tools to solve real-world problems and evaluate.

PLO-8. Ability to operate, manage, deploy, and configure computer network, hardware, and software operation of an organization.

PLO-9. Ability to present results using different presentation tools.

PLO-10. Ability to appreciate emerging technologies and tools.

VISION AND MISSION OF THE DEPARTMENT ECONOMICS

VISION

Our vision is to develop socially responsible economists with global outlook through specialized training in Foreign Trade-focused economic analysis. We aim to foster a research-oriented mindset for impactful policy development. Ultimately, we strive to inspire creative citizenship, encouraging students to actively participate as passionate volunteers in addressing contemporary challenges for nation-building.

MISSION

1. Provide specialized courses in Applied Economics, emphasizing expertise in Foreign Trade.
2. Mentor students to unleash their full potential, enabling them to actively contribute to the enhancement of national policies and programs.

3. Encourage students to make meaningful contributions to society through continuous engagement with local communities and various institutions, fostering a sense of responsibility and positive impact.

PROGRAM LEARNING OUTCOMES (PLO) OF B A ECONOMICS WITH FOREIGN TRADE

PLO1	Students acquire theoretical and practical knowledge that makes accurate analysis of the economic situation possible.
PLO2	Students internalize and evaluate inter and intra-connections between the economy and society.
PLO3	Students develop a global perspective and take a local approach in dealing socio-economic problems
PLO4	Students familiarize different economic system and interpret the implications of decisions related to economic policy.
PLO5	Students master skills required to meet the call of the industry and society
PLO6	Students develop the attitude to conduct research in the socio economic issues arising in their environment.
PLO7	Students assimilate the necessary analytical and interpretational skill related to socio, political and economic issues.
PLO8	Students develop a scientific approach to analyze the socio-political and economic issues in the language of an economist.
PLO9	Student's analyses economy objectively, interpret the economic events and visualize the economic future of the nation.
PLO10	Students understand the practical side of international trade and develop interest to choose a career in the foreign trade related sectors.
PLO11	Students masters innovative practices in logistics management, export-import procedures and documentation

VISION AND MISSION OF THE DEPARTMENT OF ENGLISH

VISION

We aim to inspire students to think critically and creatively. Our vision includes equipping students with advanced language skills in English to prepare them for success in their academic and professional lives.

MISSION

Our mission is to create citizens who are empowered with a literary sensibility and a flair for the English language, enabling them to excel in their academic and professional endeavours.

CORE VALUES

We uphold values of academic excellence, creativity, cultural sensitivity, and social responsibility. We strive to provide a supportive learning environment that inspires students to reach their full potential.

PROGRAMME LEARNING OUTCOME BA ENGLISH PROGRAM

PO1 In the three-year duration, they will cultivate the sensitivity to discern the evolution of civilizations and cultures. They will also be up to date with contemporary developments and develop a sociological sensibility to critically understand the social phenomena that affect their lives.

PO2 At the end of their studies, students will be eligible for employment in tourism, media, hospitality and other industries. They

will also be able to apply for competitive examinations conducted for public sector jobs. The general Humanities education equips them to clear competitive exams.

PO2 Students also learn two languages as well as one open course. At the end of the programme, they usually will have advanced reading, writing, speaking, interpretive and composition skills in both languages.

PO3 Humanities education is designed in such a way that it places particular emphasis on human values. Students at the undergraduate level will be better able to appreciate literary and cultural diversity.

PROGRAMME LEARNING OUTCOME M A ENGLISH PROGRAM

PLO	Analyse one's own psycho-social development towards personal, academic, and professional growth.
PLO9	Choose a Master's Program in Psychology according to their aptitude and interest.

VISION AND MISSION OF DEPARTMENT OF LOGISTICS

The vision and mission statements of a Department of Logistics typically serve as guiding principles that define the department's purpose, goals, and long-term aspirations. These statements provide direction for the department's activities and reflect its commitment to achieving specific objectives. Here are examples of vision and mission statements for a Department of Logistics:

VISION

"To be a globally recognized leader in logistics excellence, setting industry standards, and driving innovation in supply chain management."

MISSION

"Our mission is to deliver seamless, efficient, and sustainable logistics solutions that support our organization's strategic objectives while ensuring customer satisfaction and fostering environmental responsibility. We achieve this through:

- Excellence in Operations: We are dedicated to maintaining the highest standards of efficiency, reliability, and quality in all logistics activities, from procurement and transportation to warehousing and distribution.
- Innovation and Technology: We leverage cutting-edge technologies and continuous innovation to optimize processes, reduce costs, and adapt to evolving industry trends.
- Customer-Centric Approach: Our commitment is to understand and meet the unique needs of our internal and external customers, delivering superior service that exceeds their expectations.
- Sustainability and Responsibility: We prioritize sustainable and environmentally responsible logistics practices, minimizing our carbon footprint, and contributing to a more sustainable future.

- **Continuous Learning and Development:** We invest in the growth and development of our personnel, fostering a culture of continuous learning, adaptability, and skill enhancement.
- **Global Perspective:** We embrace the complexities of global logistics, ensuring seamless cross-border operations, and optimizing international supply chain activities.
- **Ethical Conduct:** We uphold the highest ethical standards, promoting integrity, transparency, and compliance with all regulatory requirements.
- **Strategic Alignment:** We align our logistics activities with the overall strategic goals of our organization, contributing to its competitiveness and profitability.
- **Risk Management:** We identify and mitigate potential risks within the supply chain to ensure business continuity and minimize disruptions.
- **Inclusivity and Collaboration:** We foster a diverse and collaborative work environment, where all team members contribute their unique perspectives and expertise to drive success.
- Our commitment to these principles reflects our dedication to achieving logistics excellence and driving value for our organization and its stakeholders."

Please note that the specific vision and mission statements of a Department of Logistics may vary based on the organization's goals, values, and industry. These statements should be carefully crafted to align with the organizations overall vision and mission.

PROGRAMME LEARNING OUTCOME LOGISTICS MANAGEMENT PROGRAM

The programme learning outcomes relating to Bachelor's in Vocational programme in Logistics may include the following:

Code	Programme Learning Outcome (PLO)
PLO1	To Enhance the student's talent in the field of Logistics and supply chain management and business subjects.
PLO2	Seek variety of career options in Logistics, shipping, transportation, warehousing etc.
PLO3	Develops communication skills and build confidence to face the challenges of the corporate world.
PLO4	Enables learners to get theoretical and practical exposure in the Logistics sector which includes Warehousing, Packaging, Transportation management, Inventory management, Materials management, Environment etc.
PLO5	Enhances the capability of decision making at personal and professional levels.
PLO6	Makes students industry ready and develop various managerial skills for better professional opportunities.
PLO7	Strengthens their capacities in varied areas of Logistics and industry aiming towards development of learners.
PLO8	To empower students for pursuing professional courses like MBA, International Business, M.VOC etc.
PLO9	To integrate knowledge, skill and attitude that will sustain an environment of learning and creativity among the students.

PROGRAMME LEARNING OUTCOME B.SC. MATHEMATICS AND PHYSICS PROGRAMME

PLO1: Interpret the basic concepts of fundamentals of mechanics, properties of matter and electrodynamics

PLO2: Analyse the theoretical basis of quantum mechanics, relativistic physics, nuclear physics, optics, spectroscopy, solid state physics, astrophysics, statistical physics, photonics and thermodynamics

PLO3: Investigate and apply the concepts of electronics in the designing of different analog and digital circuits

PLO4: Understand the basics of computer programming and numerical analysis

PLO5: Apply and verify theoretical concepts through laboratory experiments

PLO6: Understand fundamental ideas of limit, continuity and differentiability and also to some basic theorems of differential calculus.

PLO7: Understand the notion of partial derivative, their computation and interpretation and also formulate the idea of limit and continuity for functions of several variables.

PLO8: Formulate mathematical models in the form of ordinary differential equations to suggest possible solutions of the day to day problems arising in physical, chemical and biological disciplines.

PLO9: Understand the mathematical concepts and applications in the field of algebra, analysis, graph theory, computational techniques and optimization.

PLO10: Develops the problem-solving skill.

PLO11: Understand the concept of graph theory and its applications

UNIVERSITY EXAMINATION RULES

EXAMINATION

There shall be University examinations at the end of each semester. **Practical** examinations shall be conducted by the University at the end of fourth and sixth semester (except for music). Conduct of Practical examinations in the second semester as per the syllabi may be permitted for Language Reduced Pattern (LRP). External **Viva-voce**, if any, shall be conducted along with the practical examination/project evaluation. **Project** evaluation shall be conducted at the end of sixth semester. 20 % of marks are awarded through internal assessment.

INTERNAL ASSESSMENT

20% of the total marks in each course are for internal examinations. The marks secured for internal examination only need be sent to university by the colleges concerned. The internal assessment shall be based on a predetermined transparent system involving written test, assignments, seminars and attendance in respect of theory courses and lab test/records/viva and attendance in respect of practical courses. Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude and attendance in respect of practical courses. Components with percentage of marks of Internal Evaluation of Theory Courses are Attendance 25 %, Assignment/ Seminar/Viva 25 % and Test paper 50%. For practical courses- Attendance 25 %, Record 50% and lab involvement 25 % as far as internal is concerned.

EXTERNAL EVALUATION

External evaluation carries 80 % of marks. External evaluation of Even (2, 4, 5 semesters will be conducted in centralized valuation camps immediately after the examination. Answer scripts of Odd Semester (1, 3, and 5) examinations will be evaluated by home valuation. All question papers shall be sent by the university.

The external examination in theory courses is to be conducted with question papers set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well-defined Scheme of valuation and answer keys shall be provided by the University. The external examination in practical courses shall be conducted by two examiners - one internal and an external, appointed by the University. The project evaluation with viva can be conducted either internal or external whichever may be decided by the BOS concerned. No practical examination will be conducted in odd semester. Practical examinations shall be conducted in the even semester (II, IV and VI) as per the decision of the appropriate academic bodies.

SCRUTINY OF MARKS

1. A candidate who has appeared at an examination may apply to the Controller of Examinations for scrutiny of his marks, i.e. for checking whether any answer had been not given marks and whether there are any mistakes in totaling. Such application, if any, shall be made within one month from the date of publication of the results of the examination in the University Office and shall be accompanied by treasury

receipts for the prescribed fee. The fee is only for scrutiny and not for revaluation of the paper.

2. A candidate shall not be entitled to a refund of the fee, remitted by him.
3. The result of the scrutiny and the marks obtained for the paper/subject shall be communicated to the candidate and in case the result is affected by such scrutiny, the corrected result shall be published in the University Office and in such other manner as the Syndicate may decide.

IMPROVEMENT CHANCE

Improvement of a particular semester can be done only once. The student shall avail the improvement chance in the succeeding year after the successful completion of the semester concerned. The internal marks already obtained will be carried forward to determine the new grade/mark in the improvement-examination. If the candidate fails to appear for the improvement examination after registration, or if there is no change in the results of the improved examination, the mark/grade obtained in the first appearance will be retained. *Improvement and Supplementary examinations cannot be done simultaneously.*

REVALUATION OF ANSWER PAPERS AT UNIVERSITY EXAMINATIONS

- (1) Candidates for all examinations including Diploma Examinations and Post Graduate Examinations for which there is provision for double valuation are eligible to apply

for revaluation.(Amendment approved by the Senate on 27.11.2001, Gazette dated 05.03.2002)

- (2) Every application for revaluation shall be submitted within ten days of the date of publication of results to the Controller of Examinations in the prescribed form with a fee of ₹ 50 in such manner and subject to such conditions, as the University, may, from time to time, prescribe.
- (3) A candidate shall not be eligible for refund of the fee paid.
- (4) Applications for photocopies/Scrutiny/ revaluation should be submitted within 10 days of publication of results. The fee for this shall be as decided by the university.

DEBARRING CANDIDATES AND QUASHING RESULTS

If any time or during the course of the examination or after the publication of results, it is found that a candidate was not eligible for taking the examination, or that he has secured admission to the course or the examination, on production of false information in the application form or that he has used unfair means at an examination, the Syndicate shall have power to quash the results of the examination, taken by the candidate, and/or debar him from appearing for any examination of the University permanently or for a specified period according to the gravity of the offence committed by the candidate.

PUNISHMENT FOR MALPRACTICE

If the Syndicate is satisfied after enquiry that as a consequence of the conduct of any person connected with the conduct of the examination at the Centre, that there have

been malpractices in the conduct of examination in any University Centre, the Syndicate may punish such person in such manner as it may deem fit and may also abolish the centre for conduct of examinations for such period as it may deem fit.

RULES & REGULATIONS FOR PREVENTION AND PROHIBITION OF RAGGING

OBJECTIVES

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student; and thereby, to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

VARIOUS TYPES OF RAGGING

The Hon'ble Supreme Court has, inter-alia, mentioned the following types of ragging:-

1. Ragging has several aspects with, among others, psychological, social, political, economic, cultural, and academic dimensions.

2. Any act that prevents, disrupts or disturbs the regular academic activity of a student should be considered within the academics related aspect of ragging; similarly, exploiting the services of a junior student for completing the academic tasks assigned to an individual or a group of seniors is also an aspect of academics related ragging prevalent in many institutions, particularly in the technical institutions.
3. Any act of financial extortion or forceful expenditure burden put on a junior student by senior students should be considered an aspect of ragging for ragging economic dimensions.
4. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestured, causing bodily harm or any other danger to health or person can be put in the category of ragging with criminal dimensions.
5. Any act or abuse by spoken words, emails, snail-mails, blogs, public insults should be considered within the psychological aspects of ragging. This aspect would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to others; the absence of preparing 'freshers' in the run up to their admission to higher education and life in hostels also can be ascribed as a psychological aspect of ragging - coping skills in interaction with seniors or strangers can be imparted by parents as well. Any act that affects the mental health and self- confidence of students also can be described in terms of the psychological aspects of ragging.
6. The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity

through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

Ragging constitutes one or more of any of the following acts:

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b. Indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
- g. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;

- h. Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student ;
- i. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

ACTION IN THE EVENT OF RAGGING

The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed here in under:

1. The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents. The students who are found to be indulged in ragging should be debarred from taking admission in any technical institution in India.
2. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
3. Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following.

- a. Cancellation of admission
 - b. Suspension from attending classes
 - c. Withholding/withdrawing scholarship/fellowship and other benefits
 - d. Debarring from appearing in any test/examination or other
 - e. evaluation process Withholding results
 - f. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
 - g. Suspension/expulsion from the hostel
 - h. Rustication from the institution for period ranging from 1 to 4
 - i. semesters
 - j. Expulsion from the institution and consequent debarring from admission to any other institution.
 - k. Fine of Rupees 25,000/-
1. Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggars
 4. The institutional authority shall intimate the incidents of ragging occurred in their premises along with actions taken to the Council immediately after occurrence of such incident and inform the status of the case from time to time.

Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.
