AMAL COLLEGE
OF ADVANCED STUDIES

AMAL COLLEGE OF ADVANCED STUDIES

Myladi, Eranhimangad Po, Nilambur, Kerala – 679329

Aided by Govt. of Kerala | Affiliated to the University of Calicut

NAAC Accredited with **A Grade** | Run by Nilambur Muslim Orphanage Committee

AMAL COLLEGE OF ADVANCED STUDIES

Amal College of Advanced Studies, established in 2005 by the Nilambur Muslim Orphanage Committee (NMOC), is a distinguished institution dedicated to providing advanced education. Recognized by the UGC, under section 2(F) & 12(B) of the UGC Act, 1956, and as a Minority Educational Institution, the college is guided by the vision of Sri PV Abdul Wahab, Honorable Member of the Parliament and Chairman of the Governing Committee. Located on the banks of the scenic Chaliyar River in Myladi, Nilambur, Amal College's 26-acre campus in Santhigramam embodies its dedication to holistic education. Surrounded by tribal settlements and teak plantations, the region offers an inspiring learning environment. The college provides a diverse range of undergraduate, postgraduate, and research programs and is unique in reserving 20% of its courses for orphans. The college fosters a supportive community through international internships, industry and community engagement, skill courses and value-added programs. Amal College of Advanced Studies is dedicated to quality education and shaping a brighter future for its students through collaboration and progressive initiatives.

MESSAGE OF THE
CHAIRMAN

As Chairman of the Nilambur Muslim Orphanage Committee (NMOC), I take great pride in our mission to uplift underprivileged individuals in rural areas like Nilambur. Our focus remains on providing quality education and training to school and college students, and we deeply appreciate the support of institutions like Amal College and JSS in our endeavors. We actively seek resources from the government and philanthropic sources to further our cause. The ongoing growth of our infrastructure and facilities brings us immense joy and drives us to continue our efforts. I am fully committed to ensuring the well-being of orphans and destitutes through our orphanage. Together, we can make a lasting impact and empower these individuals for a brighter future.

Jb. P.V Abdul Wahab MP,
Chairman, Nilambur Muslim
Orphanage Committee

MESSAGE OF THE **PRINCIPAL**

Amal College of Advanced Studies is deeply committed to delivering quality higher education, with a particular focus on students from underprivileged and rural areas, including orphans, destitutes, and members of backward communities, SCs, and STs. To reflect our dedication to inclusiveness, we reserve twenty percent of seats in all courses for orphans and other twenty percent for SCs and STs. Our doors are open to students of all castes and creeds, as inclusiveness remains a cornerstone of our institutional policy. Our mission is to serve the nation through value-based education, fostering an atmosphere of universal brotherhood. In our pursuit of excellence, Amal College was accredited with an 'A' grade by NAAC (3.11) in the first cycle in

2019. Today, the college stands as a beacon of brilliance, nurturing innovation and excellence in our students, and shaping them into competent, responsible, and mature individuals.

With a vision to become a center of excellence, we actively seek to incorporate the best national and international practices through collaborations with leading institutions both inside and outside Kerala. This academic year, the rapid advancements in AI have heightened our responsibilities. Rather than lamenting the challenges, we are committed to turning them into opportunities for innovative thinking and action.

I invite each of you to join in our mission to make Amal College a leading institution of academic excellence in India. With renewed hope and confidence, I look forward to the upcoming academic year and wish everyone a prosperous and fulfilling journey ahead.

Dr. Shemeer Babu T.
Principal, Amal College

VISION

Amal College envisions a dynamic educational hub promoting academic excellence, multilingual proficiency, innovation, global collaboration, social empowerment, sustainable development and transformative learning with inclusivity and excellence.

MISSION

- Cultivate scholars for academic excellence and societal impact, fostering proactive contributors to the nation.
- Equip youth with linguistic adaptability for globalized communication, emphasizing multilingual proficiency across cultural boundaries.
- Implement tech innovations for seamless resource access, enhancing engagement and convenience in teaching and institutional activities.
- Provide inclusive education, instill life skills and cultivate global competence through strategic collaborations with high-standard institutions.

BEST PRACTICES

Industry Academia Meet (IAM)

Amal College of Advanced Studies' Industry Academia Meet stands as a unique practice, seamlessly connecting students with the contemporary industry landscape. Through activities like "Meet the Entrepreneur," interactions with industrial experts, and insightful industrial visits, the program empowers students with real-world insights, providing invaluable benefits and enhancing their readiness for professional challenges.

Pace Sports Academy

Pace Sports Academy, a tribute to the late Dr. Mohammed Najeeb, Assistant Professor of Physical Education, fosters sports excellence at Amal College of Advanced Studies. With a vision to nurture capabilities, the academy provides professional training and infrastructure. Notably, it has produced 7 international players and numerous national and state-level achievers, promoting sports empowerment and talent identification at the grassroots level.

FOUR YEAR UG PROGRAMS

Starting in the 2024-25 academic year, Amal College, in line with the University of Calicut, has launched four-year undergraduate programs under NEP 2020. This initiative aims to enhance academic flexibility and curriculum enrichment. Students can choose from various minor courses in addition to their major discipline, offering a more comprehensive educational experience.

FYUGP Structure

Three Degrees and Five Pathways

Course Structure

Students will have three options to complete their degree:

1. 3-year UG Degree: Students can exit after three years with a regular degree.
2. 4-year UG Degree (Honours): Students who pass all courses can continue into the fourth year. Upon completing the Honours degree, they can pursue a one-year PG program.
3. 4-year UG Degree (Honours with Research): Students who secure 75% or above in their three-year degree can engage in research under a qualified guide and become eligible for direct admission to a PhD program.

ACADEMIC PATHWAYS

Students can choose from various academic pathways based on the credits acquired in major and minor courses:

Single Major

**Major with
Multiple
Disciplines**

**Major
with Minor**

Double Major

**Major with
Vocational
Minor**

MINOR PATHWAYS

Amal College offers eight undergraduate programs under the FYUGP, each featuring a major discipline along with two minor groups. There are four minor pathways: Marketing, Quantitative Economics, Hospitality Business Administration, and Statistics. To achieve a minor pathway, students have to complete six courses within that pathway. Completing three courses from a minor group qualifies students for a half minor or a minor group.

Parent Department	Minor Pathway	Minor Group
Commerce	Marketing	B1: Digital Marketing
		C1: Logistics
Economics	Quantitative Economics	B1: Basic Quantitative Techniques for Economics
		C1: Elementary Tools for Economic Data Analysis
Tourism and Hotel Management	Hospitality Business Administration	B1: Hospitality Operations
		C1: Hospitality Management
Computer Science	Statistics	B1: Discrete Mathematics
		C1: Statistical Methodologies in Data Science
Psychology		B1: Descriptive and Inferential Statistics
		C1: Human Physiology Minor
English		B1: Professional Journalism
		C1: Government and Politics

MULTIDISCIPLINARY COURSES

Each department, including second language and physical education departments, offers multidisciplinary courses (MDCs) to students from other departments. MDCs enable students to learn basic courses from various disciplines. As part of FYUGP, there are three MDCs, with the third one, Kerala Knowledge System, taught by the English/Second Language Department.

Department	Semester 1	Semester 2
English	Introducing Print and Digital Narratives	Introducing Travel Narratives: Journey Beyond Borders
Commerce	Consumer Awareness and Protection	Foundations of Accounting
Mathematics	Matrices and Basics of Probability Theory	Graph Theory and LPP
Physics	Physics in Daily Life	Astronomy and Stargazing
Tourism & Hotel Management	Introduction to Hospitality Business	Tourism Concepts
Psychology	Art of Stress Management	Psychology for Everyday Life
Computer Science	Data Analysis and Visualization Through Spreadsheet	Digital Empowerment Through Ethical Standards
Arabic	Arabic for Beginners	Communicative Arabic
Malayalam	Creativity and Literature	Cinema and Literature
Hindi	The Social Concerns in Hindi Cinema	Social Concerns in Hindi Poetry
Physical Education	Life Styles Diseases and Physical Activity	Physical Fitness and Active Living
Library	Information Resources and Learning Platforms	Digital Librarianship

CLASSROOMS & LABORATORIES

35 well-equipped classrooms.

Interactive boards, Smart TVs and Projectors.
